My Fellow Peristians,

Joanne Zbravos  
**Vice President**

This coming January we will be holding our annual Artoklasia at the Zoodohos Peghe Greek Orthodox Church in the Bronx. The purpose of the event is to commemorate all those Peristians, born here and in Greece, who have passed on. We owe a great deal of debt to these people who had generously given of themselves to further the social and philanthropic goals of the Agios Athanasios Association. On that day, we collectively will pray for the repose of their souls.

Loula Kefaliakos  
**Secretary**

George C. Sakellaris  
**Treasurer**

Lola Tsougranis-Hope  
**Special Secretary**

Another important purpose of the of meeting that day is to sit down and break bread together as one family following the Holidays and give thanks to God for all the blessings we have received the previous year.

Penny Zbravos  
**Youth Coordinator  
For Special Events**

The membership has decided that, on that day, the Agios Athanasios Association will award up to 3 academic scholarships, in the amount of \$1,000 each, to qualified university students who are descendants of Peristians. The criteria for the awards is described upon the requirements form.
